

Wayleaves... what you need to know

The Government has pledged to deliver nationwide gigabit broadband by 2025*

2025

By connecting now, you're enabling your street to receive ultrafast broadband at up to 1Gbps

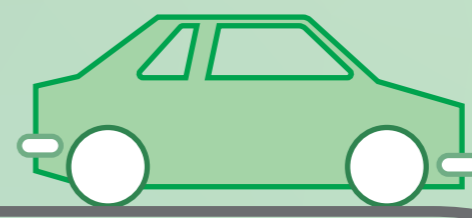

A small box (apparatus) needs to be installed – it'll be buried and only the lid will be visible

£0

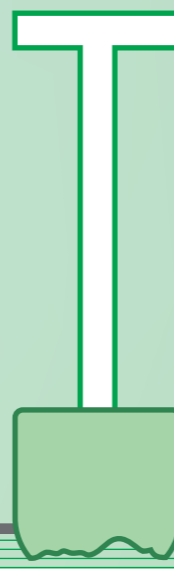

There is no charge to install the apparatus

You'll have access to your property at all times, although some restrictions may apply

All reinstatement work will be carried out with the same material as the existing infrastructure

SPEED ST

This is a one-off opportunity to enable your property to have access to full fibre

If you're happy for the work to go ahead, please complete, sign and return the agreement
