

# Wayleaves... what you need to know

The Government has pledged to deliver nationwide gigabit broadband by 2025\*

2025

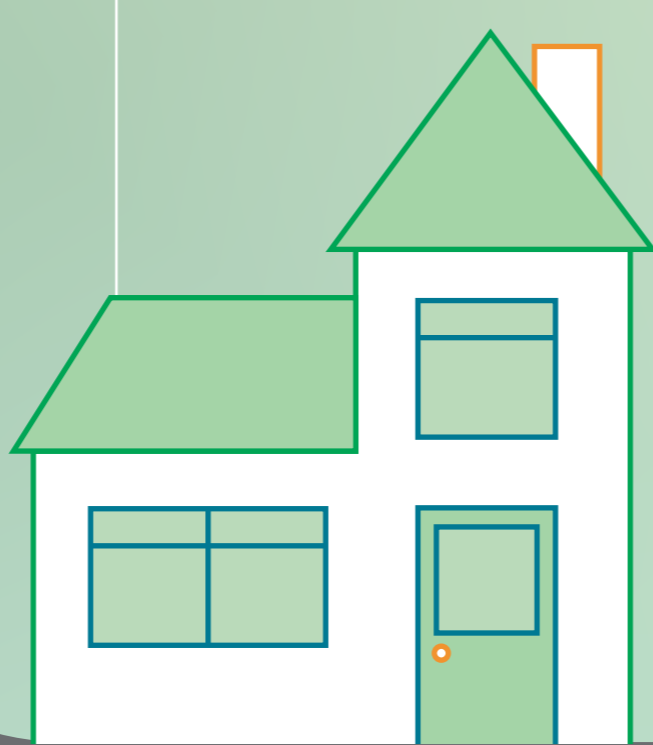

By connecting now,  
you're enabling your  
street to receive ultrafast  
broadband at up to 1Gbps

A small box (apparatus) needs  
to be installed - it'll be buried  
and only the lid will be visible

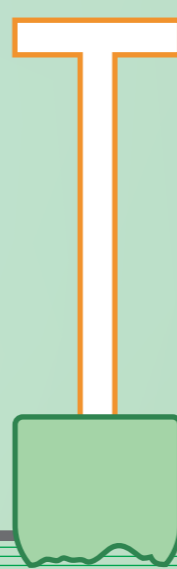

£0

There is no charge to  
install the apparatus

You'll have access  
to your property at  
all times, although  
some restrictions  
may apply

All reinstatement work  
will be carried out with  
the same material as the  
existing infrastructure

SPEED ST

This is a one-off  
opportunity to  
enable your  
property to have  
access to full fibre

If you're happy  
for the work to  
go ahead, please  
complete, sign  
and return the  
agreement
